THE LIONS CLUBS

Lions Club International has grown tremendously since its inception in 1917. We started out helping seniors citizens obtain proper care for their eyes, including exams, medical care, and of course, glasses. Over the next century, the Lions Club has expanded from the philanthropic ideals of a Chicago businessman to 45,000 clubs and 1.35 million members.

Lions Clubs worldwide recently:

Brought 3,000 volunteers together to build a playground for children of all abilities in California, USA.

Fed 60,000 people in a township in South Africa. It's something Lions do there every day.

Sent a team of eye surgeons to Honduras to treat more than 100 adults and children.

Helped treat River Blindness and other preventable vision diseases.

Our community projects support local children and schools through scholarships, recreation, and mentoring.

Since 1968, the Lions Clubs International Foundation has awarded more than \$660 million in grants to support Lions humanitarian projects around the world.

The Time to Act is Now

We are living in exciting times. There are more professional women working than ever before. Minorities are moving through doors that only a few decades ago were closed. Colleges and Universities are setting new standards for excellence. Amazing new technologies are placing our goals at our fingertips. This is a great time to be living, but also a pivotal time for civic duty.

Our country has seen tremendous change. As baby boomers have moved into retirement, their nest eggs have dwindled. Our inspiring young men and women are exiting colleges with many challenges. Many families are struggling to put food on the table, keep the heat on, and even hold onto their precious homes. At the same time, prices for everything, from food to energy to gas is rising. We serve the community to help others in need.

Now more than ever we must pull together as a community. Seniors need support repairing their homes. Working professionals need help making ends meet. Children need scholarships to aspire to and events to partake in. Our food pantries and shelters need more donations, and our homeless animals need a warm place sleep.

The Olney Lions Club is dedicated to serving our community. We are growing in an effort to provide more support to our neighbors and friends. Please join us in helping everyone get back on their feet. We will only be at our strongest when all of us are standing proudly side by side.

THE OLNEY LIONS CLUB

The Olney Chapter of the Lions Club was founded in 1972, and since has grown to become an iconic symbol for always being there to help out a local school, a neighbor, a support group, or a youth organization. The Olney Lions Club is successful because it listens to the citizens

of Olney and provides assistance where it's needed most — from running blood drives to packing food boxes for those in need to cleaning up roads and walkways to raising funds for charities.

In keeping with the ideals of our charter members, we continue to provide free eye examinations and glasses to students of low income families. We also provide hearing aids and other specialty items to people referred to us by schools or social service organizations. We also provide support by:

- 👉 Donating to vision programs, including Vision Research & Leader Dog Program
- 👉 Sponsoring Lions Camp Merrick (For Visually/Hearing Impaired as well as Diabetic Children)
- 👉 Participating in the Adopt-a-Highway program to keep our roads safe and clean
- 👉 Volunteering at MANNA
- 👉 Supporting the Animal Welfare League of Montgomery County (No Kill Shelter)
- 👉 Providing financial support for Boy Scouts, the Olney Boys & Girls Club, and St. Peter's Athletic Association
- 👉 Handing out Scholarship and Citizenship Awards
- 👉 Assisting in Blood Drives and Disaster Relief Projects
- 👉 Supporting worthy organizations, such as Carol Jean Cancer Foundation, the Slave Museum, and the Casey House
- 👉 Sponsoring the After-Prom Party for Sherwood, Blake, & Magruder High Schools
- 👉 Joining community programs, such as Montgomery County Crime Solvers, National Night Out, Mont. General Hospital Bazaar & Picnic, Olney Fair, and more

Extreme Makeover! Olney Lions Club Edition

The Olney Lions Club has always been a blue ribbon community service organization — but we're looking to do more in the future. From charity walks and competitive races to benefit worthy charities to major housing projects to help our neighbors in need — were primed and ready to make a bigger impact than ever.

To accomplish our goals of becoming more active, more charitable, more helpful, and of course, more fun, we need your brains, your brawn, and your time.

The benefits are endless...

- ☀️ Proudly serve your neighbors
- ☀️ Help those who really need a helping hand
- ☀️ Make a difference where it matters most — your town!
- ☀️ Give a much-needed boost to a charity
- ☀️ Build your resume
- ☀️ Network with successful professionals in a variety of careers
- ☀️ Enjoy great events, such as Golf Tournaments, Races, Fairs, Banquets, and many more activities.
